

Places in Indonesia

Name: _____

Class: _____

What is Indonesia like?

On a blank map of Indonesia, write the places where the photos on the **Indonesia Photo Gallery** and **Images of Indonesia** websites were taken.

Write a brief description of your favourite photo. Share it with the class.

Read the information from the **Indonesia: Tourist Destinations** website about the seven tourism development regions of Indonesia.

Name some of the different peoples who live in Region 1.

What animals can you find in Region 2?

What major cities are found in Region 3?

Name two things that you can see in Region 3.

What cultural activities could you see if you were in Bali?

List three natural resources found in Region 5.

What could you see in South Sulawesi?

What could you experience in North Sulawesi?

Is Maluku a popular tourist destination?

Name the spices that made Ambon famous.

My Region of Indonesia

Using the **Indonesia Interactive Travel** website, research your chosen region of Indonesia.
What is the name and capital city of your region?

Write a description of your region.

Describe two places of interest to you. Why are they interesting?

Describe two events which will take place this year in your region.

Sketch the traditional house of your region.

Name a traditional song from your region.

Write the date and details of two historical events in your region.

Write the name and address of a restaurant and a shop from your region. What do you think **Jl** means?

Sketch the traditional costume worn on special occasions in your region.

Write here any words which you think best describe the region you have researched. Think about feelings, colours, smells – use all your senses and your imagination! On a separate piece of paper, use these words to write and illustrate a poem about your region.
