

School Days

This is a normal school day for Keiko. Write and draw what you usually do on the days you go to school. Make sure you include the times of day for each activity.

Keiko's school day

- 6.30 am** Breakfast. I usually have toast.
- 7.30 am** Catch the bus to school.
- 8.30 am** School begins. Each lesson is 45 minutes long.
- 12.30 am** Lunch at school. During the lunch hour, every class has to clean their room.
- 3 pm** School finishes.
- 4 pm** Club activities. This year I am studying calligraphy.
- 7 pm** Dinner. We often have steamed rice, fish and vegetables.
- 8 pm** Homework for at least an hour.
- 9.30 pm** Bed. Phew! No wonder I'm tired.
