

Opportunities to incorporate the Asia priority across learning areas/subjects

Engage your staff in reviewing units of work currently being implemented at your school that address the Asia and Australia’s engagement with Asia cross-curriculum priority. As part of this review, teachers should identify new opportunities in the Australian Curriculum to incorporate Asia across year levels and learning areas/subjects.

1. Use the table below to complete the review of your school curriculum.
 - a. Identify current units of work being delivered across learning areas/subjects and year levels.
 - b. Identify opportunities for including the Asia priority.

Learning area/subject and year level e.g. Year 7: History	Current units of work with Asia content	New opportunities as provided by Asia and Australia’s engagement with Asia cross-curriculum priority
